MY TOP 5 RESOURCES FOR DIRT CHEAP TRAVEL

AirBnB:

You can rent rooms or whole houses through the platform.

HomeSay.com (worldwide) and hostuk.org (UK):

International students and/or travelers can stay with a local family.

Couchsurfing.com or trustroots.org:

These are popular sites for couchsurfing, where you can stay in someone's house (on their couch) for free.

HostelTravelJobs.com (lifetime membership for 5.99€):

This is a job listing website where bars, farms, hostels etc. are looking for travelers to work for them.

Google Flights:

The search engine to find cheap flights fast. Great also if you have a set date and don't know where to go yet.
